## Cooperative Master of Divinity Program

### with Yale Divinity School

### Advising Guidelines since 2023

**Important note:** This chart is intended to help students in the Cooperative M.Div. program make informed choices about courses they may take at Hartford Seminary that will satisfy core area degree requirements at Yale Divinity School (YDS). Students should be aware, however, that whether or not a Hartford International University (HIU) course will meet a specific area requirement is a determination that is finally in the hands of YDS, and that decision is made after the student has applied and been admitted to YDS. This chart is a reliable guide of equivalency, *but does not offer any guarantees*. Course offerings and degree/ curricular requirements (or configurations) at all institutions change over time; therefore, this chart will be periodically updated by HIU. Students should ask their advisors each academic year for the most recent version of this document.

**YDS Master of Divinity – requires 72 term hours**

Requirements for the YDS Master of Divinity degree may be found in their current Bulletin available online at <http://catalog.yale.edu/div/>.
